Date:
May 3rd, 2010

Location:
12996 60th Avenue
Surrey, BC

Cost:
\$12 for 1 parent
\$20 for both parents

Heart Matters: Building Strong Relationships with Children

Attachment is the greatest need children have. How do we provide the conditions that children really need to grow? How do we provide discipline and direction without it backfiring? This presentation offers compassionate, common sense solutions for maintaining and rebuilding emotional connections with children. Topics include the importance of attachment, an understanding of its development and how to cultivate deep connections with children.
